

# **SAMPLE TENDER DOCUMENT**

## **Bangalore Metro Rail Corporation Limited (BMRCL)**

### **Tender for Electrical Works – Phase II Extension**

## **1. Introduction**

### **1.1 Background**

Bangalore Metro Rail Corporation Limited invites sealed tenders from eligible contractors for the design, supply, installation, testing, and commissioning of electrical systems for selected stations under Phase II extension of Namma Metro.

### **1.2 Scope of Tender**

The contractor shall provide electrical infrastructure including:

- station lighting systems
- power distribution panels
- emergency backup systems
- earthing and lightning protection

### **1.3 Project Location**

The work will be carried out at selected stations along the North–South corridor in Bengaluru, Karnataka.

## **2. Instructions to Bidders**

### **2.1 Bid Submission**

### **2.1.1 Mode of Submission**

Bids must be submitted electronically through the official procurement portal before the specified deadline.

### **2.1.2 Required Documents**

The following documents must be submitted along with the bid:

- Company registration certificate
- GST registration
- Financial statements for the last three years
- Previous project completion certificates

## **2.2 Bid Security (Earnest Money Deposit)**

### **2.2.1 EMD Amount**

Each bidder shall furnish an Earnest Money Deposit (EMD) of INR 50,00,000.

### **2.2.2 Acceptable Forms**

The EMD may be submitted in the form of:

- bank guarantee from a scheduled bank
- demand draft payable to BMRCL

## **2.3 Tender Fees**

### **2.3.1 Fee Amount**

A non-refundable tender fee of INR 10,000 must be paid.

### **2.3.2 Payment Method**

Payment shall be made through the online payment gateway provided on the tender portal.

## **3. Eligibility Criteria**

## **3.1 Financial Qualification**

### **3.1.1 Minimum Turnover**

The bidder must have a minimum annual turnover of INR 100 crore during the last three financial years.

### **3.1.2 Net Worth**

The bidder must demonstrate a positive net worth for the previous financial year.

### **3.1.3 Financial Documents**

The following documents must be submitted:

- audited balance sheets
- profit and loss statements
- auditor certification

## **3.2 Technical Qualification**

### **3.2.1 Relevant Experience**

The bidder must have successfully completed at least two similar electrical infrastructure projects in metro rail or large infrastructure projects within the last seven years.

### **3.2.2 Project Value Requirement**

Each completed project must have a minimum contract value of INR 30 crore.

### **3.2.3 Technical Staff**

The bidder must have qualified engineers specializing in:

- electrical engineering
- power systems
- safety compliance

## **4. Scope of Work**

## **4.1 Electrical Power Distribution**

### **4.1.1 Main Distribution Panels**

The contractor shall supply and install main LT distribution panels at designated station electrical rooms.

### **4.1.2 Cabling**

All cabling must comply with Indian Standards and metro safety regulations.

## **4.2 Station Lighting Systems**

### **4.2.1 Platform Lighting**

LED lighting fixtures shall be installed along passenger platforms.

### **4.2.2 Emergency Lighting**

Emergency lighting must activate automatically during power failure.

## **4.3 Earthing and Lightning Protection**

### **4.3.1 Earthing System**

The contractor must install a complete earthing system to ensure safe operation of electrical equipment.

### **4.3.2 Lightning Protection**

Lightning arrestors must be installed in accordance with relevant electrical safety standards.

## **5. Payment Terms**

### **5.1 Advance Payment**

An advance payment of 10% of the contract value may be released upon submission of a bank guarantee.

## **5.2 Interim Payments**

### **5.2.1 Milestone-Based Payments**

Payments will be released based on completion of defined project milestones.

### **5.2.2 Invoice Submission**

Contractors must submit invoices along with progress reports and inspection approvals.

## **5.3 Final Payment**

The final payment will be released after successful commissioning and acceptance of all electrical systems.

# **6. Project Timeline**

## **6.1 Contract Duration**

The total duration of the project shall be 18 months from the date of contract award.

## **6.2 Completion Milestones**

### **6.2.1 Equipment Installation**

Installation of electrical equipment must be completed within the first 12 months.

### **6.2.2 Testing and Commissioning**

Testing and commissioning must be completed within the remaining 6 months.

# **7. Penalties and Liquidated Damages**

## **7.1 Delay Penalty**

### **7.1.1 Delay Rate**

A penalty of 0.5% of contract value per week will be imposed for delays beyond the scheduled completion date.

#### **7.1.2 Maximum Penalty**

The maximum penalty shall not exceed 10% of the total contract value.

## **8. Contact Information**

### **8.1 Tender Issuing Authority**

Tender documents are issued by the procurement department of  
Bangalore Metro Rail Corporation Limited.

### **8.2 Communication**

All communication regarding the tender must be addressed to the official BMRCL procurement office in Bengaluru.
